Our Mission

Our mission is to enhance local economies and environmental sustainability through partnerships with coconut farmers all over the world.

For every Kapuluan item sold, we plant a coconut tree in a developing country.

Join us in our mission to plant **1 million trees annually**, supporting farming communities and our planet.

Only YOU can help us continue making this vision a reality.

About Our Coconut Oil

We are proud to offer you our premium raw coconut oil, perfect for haircare and body care. Our cold-pressed coconut oil products maintain their natural integrity, free from additives or harmful chemicals, ensuring the best for your hair and body. Unlike refined alternatives, our coconut oil retains its authentic flavor and aroma, preserving all of its health benefits.

We credit nature for creating this versatile product, and our role is simply to deliver its remarkable benefits to those who prioritize quality and sustainability in their everyday choices.

FOR DRY AND FLAKY LIPS

Infused with natural sugar cane crystals and enriched with extra virgin coconut oil, this scrub is designed to gently slough away dry, chapped skin, revealing soft, smooth lips beneath. The nourishing properties of coconut oil hydrate and replenish, ensuring your lips are not only exfoliated but also moisturized.

Experience a tropical escape with each application, and flaunt naturally kissable lips that feel rejuvenated and refreshed. Perfect for all seasons and suitable for daily use, our lip scrub promises a natural, luscious lip experience like no other.

NATURAL SHEA BUTTER

100% RAW & UNREFINED

Kapuluan's Natural Shea Butter, with its lush texture, melts seamlessly into skin and hair, delivering unmatched conditioning and hydration. Rich in vitamins A and E, this antioxidant-rich wonder shields your skin and hair from free radicals, preventing early signs of aging and dullness.

Shea stands as the paramount element for intense moisturization, nourishment, and soothing. Plus, its adaptability makes it a darling for DIY enthusiasts.

PREMIUM COCONUT BODY BUTTER

w/ JOJOBA, SHEA, & MANGO

A masterful blend of Jojoba Oil, Shea, and Mango Butter, formulated for unparalleled skin nourishment. The richness of coconut harmoniously melds with Jojoba Oil's moisturizing properties, ensuring deep hydration and a silky-smooth finish. Shea Butter further intensifies the moisturizing effect, alleviating dry and patchy skin. Mango Butter, renowned for its rejuvenating properties, adds a layer of softness and imparts a subtle, tropical scent. Quickly absorbed, this body butter revitalizes the skin without a greasy residue.

With Kapuluan's fusion of nature's finest ingredients, indulge in a luxurious skincare experience that promises lasting softness and radiance.

PREMIUM COCONUT BODY BUTTER

w/ UCUUBA & CUPUAÇU

A blend of our cold-pressed coconut oil with Ucuuba and Cupuaçu, offering a rich infusion of essential fatty acids to nourish dry skin.

Cupuaçu Butter, a renowned moisturizer from the Amazon, ensures swift absorption and deep hydration, enhancing the skin's natural elasticity. For centuries, this ingredient has been celebrated for its ability to restore moisture and softness. Ucuuba Butter complements the mix with its rejuvenating properties and wealth of vitamins A and C. Together, these ingredients not only soothe and hydrate but also bolster the health and vitality of the skin. This formulation is especially potent for repairing dry and damaged skin.

PREMIUM COCONUT BODY BUTTER

w/ CUPUAÇU & MURUMURU

A unique blend of Cupuaçu and Murumuru, presenting a luxurious, silky formula. The inclusion of coconut oil ensures deep moisturization and healing, augmenting the skin's natural glow. Cupuaçu Butter has moisturizing properties and the ability to revive the skin's elasticity, proving especially beneficial for dry and damaged skin. Murumuru Butter, extracted through ethical means, is packed with antioxidants and vitamin A, serving as a soothing agent for dry, sensitive skin. Each ingredient is meticulously chosen, working in harmony to offer a rejuvenating experience that breathes life and luster into the skin.

PREMIUM COCONUT BODY BUTTER

w/ COCOA, SHEA, & CUPUAÇU

It penetrates deeply, and its hydrating qualities soothe and refresh dry, rough skin. Cupuaçu Butter is known as an extremely effective, fast-absorbing moisturizer that provides natural hydration and protection. This nutrient-packed butter has been used for centuries in the Amazon to provide unparalleled smoothness and softness to the skin and hair, boosting the recovery of its natural moisture and elasticity. Especially beneficial for dry and damaged skin, promoting deep, long-lasting hydration.

This butter absorbs quickly and is suitable for all skin types. Use it daily to keep your skin soft, silky, and radiant!

PREMIUM COCONUT HAIR MASK

w/ ARGAN OIL & MURUMURU

Our Coconut Hair Mask is a pre-shampoo treatment that provides intense moisture, shine, and softness to even the most damaged hair. Murumuru Butter is a powerful exotic ingredient ethically sourced from the Amazon that offers extraordinary hair nourishment, locks in moisture, and protects strands from environmental damage. And, of course, our cold-pressed, raw coconut oil is one of the best ingredients to keep your hair and scalp super healthy.

PREMIUM COCONUT HAIR TREATMENT

w/ MANGO BUTTER & PAPAYA EXTRACT

Our Coconut Hair Treatment, designed as a post-shampoo treatment, excels in repairing, moisturizing, and revitalizing dry, dyed, and weakened strands. Its potent blend of key ingredients includes papaya extract, mango butter, and coconut oil. The papaya extract, rich in folic acid, antioxidants, and Vitamin A, nourishes, strengthens, and shields your hair. Mango butter fortifies hair follicles, minimizes breakage, and provides a soothing touch to the scalp. Complementing this blend is our cold-pressed, raw coconut oil, celebrated for maintaining optimal hair and scalp health.

PREMIUM COCONUT HAIR FOOD

w/ JOJOBA & BABASSU OIL

Our Coconut Hair Food Leave-In Conditioner is a lightweight, nutrient-rich solution that instantly moisturizes and detangles. Formulated with ethically-sourced babassu oil from the Amazon, jojoba oil, avocado oil, and rosemary extract, it deeply nourishes, repairs, and protects hair against breakage and split ends. It is infused with our cold-pressed, raw coconut oil for supreme scalp and hair nourishment. Ideal for all hair types, it leaves hair soft, shiny, and manageable without rinsing.

PREMIUM COCONUT BODY OIL

w/ JOJOBA & VITAMIN E

Relaxing Lavender Blend

Thoughtfully formulated to provide a tranquil escape, our oil combines the deep, hydrating benefits of extra virgin coconut oil with the soothing properties of sunflower oil and the antioxidant-rich power of vitamin E.

Sunflower oil, cherished for its calming and moisturizing capabilities, seamlessly blends with vitamin E's ability to repair and protect, offering a therapeutic shield against environmental stressors. Extra virgin coconut oil ensures a lasting hydration, enveloping your skin in a velvety touch and a luminous glow.

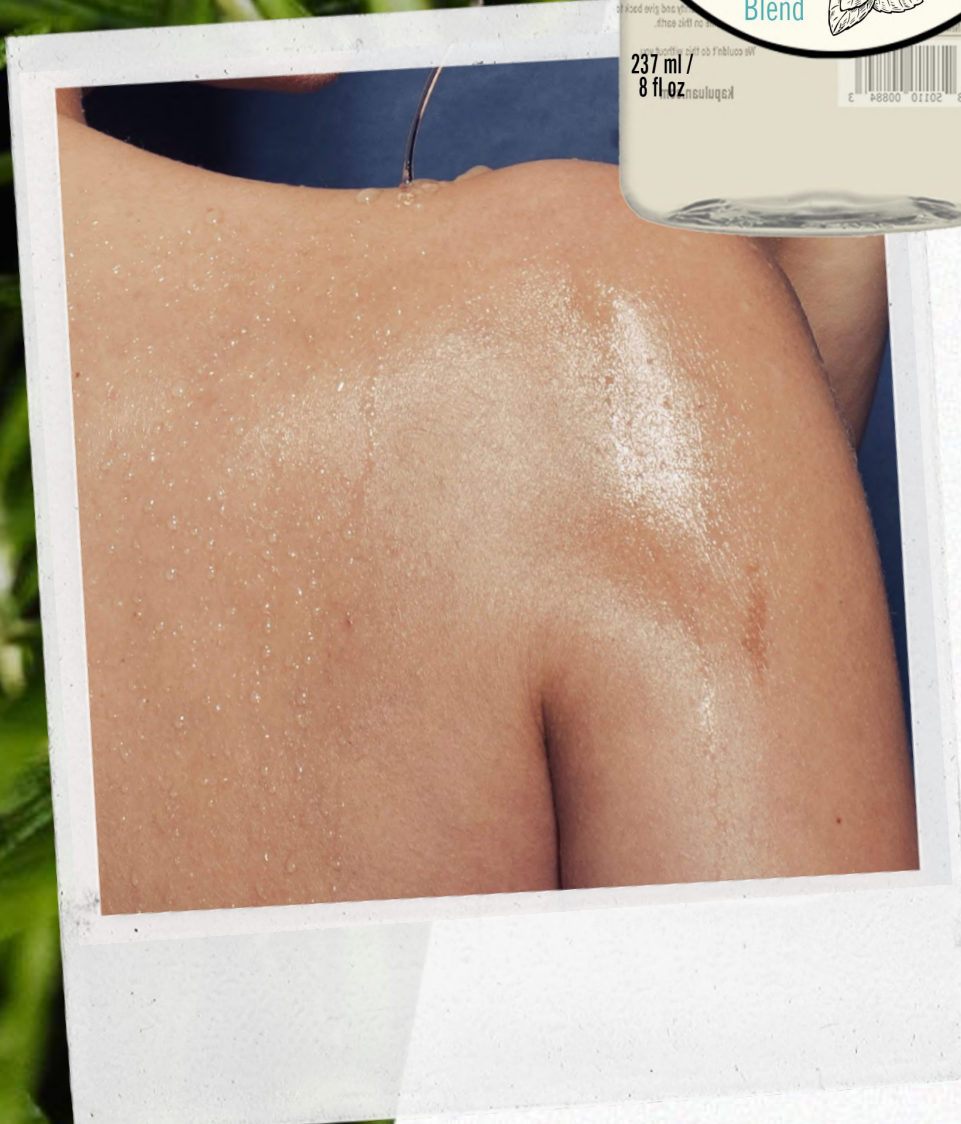

PREMIUM COCONUT BODY OIL

w/ PEPPERMINT & VITAMIN E

Muscle Relief Blend

This blend reduces inflammation, relieves muscle fatigue, leaving your skin healthier, radiant, and softer, perfect for pre or post-workout use or whenever muscle tension arises.

PREMIUM COCONUT BODY OIL

W/ ALMOND, JOJOBA, & VITAMIN E

Sensual Citrus Blend

Crafted to nourish and soothe, this unique blend marries the rich hydration of extra virgin coconut oil with the uplifting aroma of sweet orange oil and the protective benefits of vitamin E.

Sweet orange oil, renowned for its mood-enhancing properties, offers a delightful citrus burst that invigorates the senses while simultaneously promoting relaxation. Vitamin E acts as a skin guardian, defending against environmental aggressors and ensuring your skin remains soft and youthful. At the heart of this blend, extra virgin coconut oil deeply hydrates, leaving your skin with a radiant glow and velvety feel.

RAW COCONUT OIL DEODORANT

100% PURE & NATURAL

TROPICAL SCENT

Infused with a natural scent of coconut, this deodorant offers 24-hour freshness and unparalleled odor protection. Crafted using nature's finest – antibacterial Coconut Oil, nourishing Jojoba Oil, and odor-neutralizing Lactobacillus Ferment – our deodorant guarantees all-day confidence. Beyond its efficacy, our commitment to sustainability shines through in its packaging. Housed in a paperboard push-up container, it champions eco-friendliness by being recyclable, biodegradable, and fully compostable.

VEGAN SISAL DRY BODY BUSH

Exquisitely designed with gentle vegan bristles, this brush not only purifies and exfoliates but also aids in draining lymphatic nodes, boosting circulation, and diminishing puffiness. The perfect companion to Kapuluan Coconut Oil, it ensures a holistic skin detox and rejuvenation. Enhanced with a handy rope for convenient hanging, this brush marries functionality with luxury. Elevate your self-care ritual, embracing both nature's touch and unmatched efficiency with Kapuluan. Its ergonomic design ensures a comfortable grip, making your skin-care routine an effortless pleasure.

PREMIUM WHIPPED COCONUT SHAVING BUTTER

SILKY & ULTRA-SOFT SHAVE

Kapuluan's Whipped Coconut Shaving Butter is a product that can help you achieve smooth and moisturized skin all day long. This shaving butter is gentle on your skin and provides nourishment and protection from common issues such as dryness, irritation, and razor burn that can occur during shaving. With Kapuluan's Whipped Coconut Shaving Butter, you can enjoy a comfortable and luxurious shaving experience while also improving the health and appearance of your skin.

PREMIUM WHIPPED COCONUT SHAVING BUTTER

Let yourself be transported to a tropical paradise with the tantalizing scent of coconut when you use Kapuluan's Whipped Coconut Shaving Butter. The luxurious and creamy texture of this shaving butter will leave your skin feeling refreshed, smooth, and ready for any adventure. The whipped consistency of the butter helps to moisturize and nourish your skin while also providing a smooth and comfortable shaving experience. The delightful tropical scent of coconut adds to the overall experience, leaving you feeling rejuvenated and invigorated.

PREMIUM WHIPPED COCONUT SHAVING BUTTER

SWEET FLORAL SCENT

Indulge in a little slice of paradise every time you shave with our luxurious shaving cream. The creamy, silky texture and heavenly aroma will transport you to a tranquil oasis, leaving your skin feeling nourished, smooth, and irresistibly fragrant with the delicate sweet floral scent.

Crafted with the finest ingredients, our shaving cream is a true indulgence for your senses. The smooth, creamy texture allows for effortless hair removal, while minimizing irritation and razor burn. The heavenly floral aroma will invigorate your senses and leave you feeling refreshed and renewed.

COCONUT MOISTURIZING DAILY CREAM

COCONUT OIL W/ MANGO BUTTER

Say goodbye to dry patches and usher in a radiant, healthy glow with our moisturizing daily cream. Designed with your skin's wellbeing in mind, our unique formula blends the sumptuousness of mango butter with the deep hydration of extra virgin coconut oil. Perfect for all skin types, this feather-light moisturizer is crafted from vegan, cruelty-free ingredients. Beyond merely hydrating, coconut oil naturally nourishes and offers an antibacterial shield for your skin. Elevate your daily skincare routine with the luxury of premium coconut care!

PREMIUM COCONUT HAIR OIL

w/ MORINGA, ARGAN, & VITAMIN E

Nourishing Hair Oil

Our anti-frizz hair oil is a luxurious blend that tames and smooths frizzy, unruly hair, leaving it silky, manageable, and beautifully nourished. Infused with our purest cold-pressed coconut oil, it penetrates deeply to repair hair from the inside out, enhancing shine and strength.

PREMIUM COCONUT HAIR OIL

w/ LAVENDER, JOJOBA, & VITAMIN E

Nourishing Hair Oil

Elevate your haircare ritual. This hair oil is a quintessential blend for ultimate nourishment. Infused with the pure richness of Kapuluan's extra virgin cold-pressed raw coconut oil, this formulation deeply hydrates, revitalizes, and envelopes each strand in nature's embrace, ensuring your locks remain soft, shiny, and impeccably nourished. With every drop, you're not only treating your tresses but also championing a sustainable beauty ethos that cherishes our planet.

PREMIUM COCONUT HAIR OIL

w/ AVOCADO, TEA TREE, & VITAMIN E

Hair Growth Oil

It is specially formulated to support natural hair growth. Infused with Kapuluan's signature extra virgin cold-pressed raw coconut oil, this unique blend nourishes the scalp, fortifies hair follicles, and promotes lustrous, long locks. Every application not only paves the way for healthier hair growth but also embodies an ethical commitment to the planet, ensuring that beauty and sustainability go hand in hand.

But the magic doesn't stop there. With a staunch commitment to clean beauty, each use not only revives your tresses but also stands as a testament to sustainable luxury. Elevate your hair routine and revel in nature's finest!

1 BEST TASTING BRAND

PREMIUM COCONUT PULLING OIL

Oil pulling is a traditional health practice that has its roots in Ayurveda, the ancient Indian system of medicine. This method involves swishing oil in your mouth for a period of time to clean it and remove toxins. Kapuluan's Coconut Pulling Oil harnesses the antibacterial properties of coconut oil for effective oral hygiene, offering a natural way to cleanse the mouth and reduce plaque.
